Talk Radio & Talk Sport

2020-11-03 - Joachim Ulbrich - DAB+

Stations Talk Radio and Talk Sport have changed broadcast from DAB to DAB+. This means that for some older models, you may no longer be able to tune into these stations. You can check your radio's DAB+ compatibility via the link below. Radios that show 'No' beside DAB+ compatibility will not be able to receive any stations that broadcast on DAB+, only the stations remaining on standard DAB.

Radios which are suitable for a DAB+ update can be updated via our Upgrades Centre:

Newer radios, in general those purchased after 2014, do not require an update and are DAB+ ready.
