Will the Highway 300Di fit in my car?

Halfords are currently offering a fitting service for the Highway 300Di which can include an in-store vehicle inspection service prior to fitting, to ensure your car is compatible.

** This radio adaptor unit fits into 95% of cars. Wiring adaptor may be required (additional cost). To find out if your vehicle requires adaptors, please contact your local Halfords store. Store fitting applies to units fitted at Halfords stores. Normal mobile fitting charges will apply for mobile fitting requests or complex installs, which after inspection, require a mobile fitting contractor - details will be provided by your local Halfords store. Fitting service applies to products purchased in Halfords only. Pre-booking may be required. Ask in store for more details of fitting service. Extra charges may apply to vehicles with non standard wiring.
